On November 10<sup>th</sup>, as part of our 2010 Veterans Day Salute, Thank a Service Member in conjunction with our sponsors will be honoring our troops and the volunteers that support them by offering a free public screening of the PBS award-winning and 2010 Emmy nominated documentary, **The Way We Get By**.

**The Way We Get By** tells the story of three great Americans – a grandmother of eight and a pair of elderly veterans – who've greeted more than 1 million U.S. Troops as they've passed through the Bangor, Maine airport. This is the first and last place troops touch American soil as they are reunited with, and depart their homeland. The film is a deeply touching account of their patriotism and dedication to the troops in the face of their own battles with the effects of aging, illness, loneliness and much more.
